**Beni Sue Parsons**  
Administrator

May 3, 2017

To whom it may concern:

The Kentucky Board of Hairdressers and Cosmetologists have made a ruling in regard to transferring hours from one discipline to another as follows:

- Those that have completed an esthetician program and have an active license, may receive 400 clock hours credit toward the cosmetology program.
- Those that have completed a nail tech program and have an active license, may receive 200 clock hours toward the cosmetology program.
- Those that have completed a cosmetology program and have an active license, may receive 400 clock hours credit in an esthetician program and 200 clock hours for a nail tech program.

If these students have attended the training and received their license in the state of Kentucky, KBHC will verify the information. However, if these students attended an out of state program and hold a license in another state, they must provide valid proof of attendance and license.

If you have any further questions, please feel free to contact KBHC.

Regards,

A handwritten signature in black ink that reads "Beni S. Parsons".
